## Excel Tip: Easy Ways to Fill in Gaps in Spreadsheets

After last week's warning from the US Computer Emergency Readiness Team that Oracle Java 7 Update 10 and earlier were reportedly being exploited by hackers, Oracle released Java 7 Update 11 to "patch" the potential exposure. In [Homeland Security Warns of Java Vulnerability](#), software expert David Ringstrom provides a link to the Java website and walks you through the process of installing the patch. Our second article today, also from David, outlines three quick and easy ways to [fill in gaps in Excel spreadsheets](#). And resident blogger Joel Ungar shares his disappointment with one of the [changes LinkedIn recently made](#).
