VOICE OF THE EDITOR

Understanding a Younger Generation

Are you still trying to wrap your head around how younger professionals think and react? Generational expert Phyllis Weiss Haserot has been **helping the AccountingWEB audience** do just that for years. Today she shares a review of a **fascinating new book** that seeks to explain how cultural influences of the new century have impacted Generation Y/Millennials. Understanding more about young professionals will enhance your ability to work together in the years to come.
