Student Loans Back in the News

The latest legislation affecting **student loan interest** is awaiting President Obama's signature in spite of backlash from his protégé, Elizabeth Warren, and others. As someone who (dating myself) borrowed under the National Defense Education Act at a whopping 1 percent and paid \$375 per semester for full-time tuition at a state university, it's really difficult to wrap my head around the cost of college today. Is there no solution to the skyrocketing costs?
