VOICE OF THE EDITOR

Your Holiday Shopping Just Got Easier

Since many of you are Excel junkies, we know you have elaborate multi-worksheet files to organize all your holiday shopping. It's the perfect tool to ensure that you don't mix up the wish lists of, for example, your significant other and your mother. (Take this scenario in any direction you like.)

And to track your progress, you'll want to check gifts off as you buy them, so just in time for Christmas, [David Ringstrom shows how to mark items off of your list in both Word and Excel.](#)

You're welcome.
