## VOICE OF THE EDITOR

## What, Me Busy?

Since I've been digging around AccountingWeb, I've had the pleasure of discovering all kinds of hidden treasure like this post from last year that has [66 time management tips for surviving busy season](#). HOWEVAH! Is it possible to save so much time that you're wasting time at work?

Hopefully! Because then you can find a [balance your work and your regular life](#).

Before you know it, you'll be the envy of every harried colleague who barely has time to get up for lunch.

Then you'll just tell them about all this great stuff that you read on AccountingWeb that changed your life.

Now, I understand that you may too preoccupied with your peace of mind to share it. But you shouldn't worry about keeping all this knowledge to yourself; there's plenty of busy season zen to go around.
